

Diploma In “M” Scheme Syllabus

Department	Lab
Electronics and Communication Engg	<ul style="list-style-type: none"> ➤ Electronics Devices and Circuits ➤ Electronics Circuits and Instrumentation ➤ Integrated and Circuits ➤ Industrial Electronics and Communication ➤ Advanced Communication System ➤ Microcontroller ➤ Very Large Scale Integration ➤ Embedded
Electrical and Electronics Engg	<ul style="list-style-type: none"> ➤ Electrical Circuits and Machines ➤ Electronics Devices and Circuits ➤ Electrical Workshop ➤ Electrical Machines and Instrumentation ➤ Integrated and Circuits ➤ Microcontroller ➤ Control of Electrical machine ➤ Wiring and Winding ➤ Power Electronics
Mechanical Engg	<ul style="list-style-type: none"> ➤ Foundry and Welding ➤ Metrology and Metallographic ➤ Electrical Drives and Circuits

	<ul style="list-style-type: none">➤ Process Automation➤ Thermal and Automobile➤ Mechanical Instrumentation➤ Refrigerator and Air Conditioner
Civil Engg	<ul style="list-style-type: none">➤ Material Testing –I & II➤ Survey -I & II➤ Construction➤ Hydraulic
